OUR FINANCIAL POLICIES

Thank you, for choosing us as your health care provider. We are committed to your treatment being successful. Please understand that payment of your bills is considered part of your treatment. The following is a statement of our Financial Policies which we require you to read prior to any treatment.

In Network Insurance:

Regarding Insurance Plans where we are a participating provider, all co-payments and deductible are due at the time services are rendered. In addition, if your plan is an HMO plan our office must be listed as your primary care provider on your insurance card. In the event your insurance coverage changes, please notify us prior to being Seen or you will be responsible for payment of services denied by your insurance plan.

Out of Network Insurance

Your insurance policy is a contract between you and your insurance company. We are not party to that contract. As a service to our patients we may accept assignment of insurance benefits after your second visit. We will file insurance claims for you; however we do require 20% coinsurance and deductibles to be paid at the time of service. The balance is your responsibility whether your insurance company pays or not. We cannot bill your insurance company unless you give us accurate information. We will assist your insurance company with additional information they may need in order to process a payment. If we are having difficulties with your insurance company, we may call you and ask that you, as the customer of the company, contact the company to request payment. We will file claims to secondary insurance, if the information is provided to us.

Medicare

We accept Medicare assignment. We will file claims for secondary insurance for you, if accurate information is provided. You will be responsible for annual deductibles, co-payments and non-covered procedures if they are not covered by Medicare and secondary insurance. If you do not have secondary insurance you are expected to pay 20% coinsurance and deductibles at the time services are rendered. We do not file any claims to tertiary insurance; this will be your responsibility. Annual exams are preventive visits are not paid for by all insurance carriers. (Medicare only covers a portion of this exam.) I understand I am responsible for payment, if the exam or portion of the exam is not covered by my insurance. Annual exams do not typically include problems I may be having- as problem visits may require longer time. The office may reschedule another visit to address these concerns.

ANY UNPAID INSURANCE CLAIMS OVER 60 DAYS OLD WILL BE PATIENT RESPONSIBILITY.

Our practice is committed to providing the best treatment to our patients and we charge what is usual and customary for our area. You are responsible for payments regardless of any insurance company's arbitrary determination of usual and customary rates.

Collection Service Fees

Any past due balances turned to collections agency are subject to a collection agency fee.

Self-Paying Patients

All fees for services will be collected at time services are rendered. No credit will be extended; however emergency credit may be extended on a case by case basis after services are rendered. Sometimes an advance payment will be collected for certain diagnostics or procedures.

FULL PAYMENT IS DUE AT THE TIME SERVICES ARE RENDERED.

WE ACCEPT CASH, CHECKS (with verification), VISA, MASTER CARD, and AMERICAN EXPRESS.

RETURNED CHECKS

Additional charges are applied to my account for any returned checks used to pay on my account, for certified letters sent to me for collection on my account and collection agency fees. I may also be charged for not paying my co-pay and/or co-insurance or patient responsibility including deductible at time of service, for educational materials, and payment agreements which extend beyond 12 months, and for other administrative expenses not covered by my insurance plan.

ASSIGNMENT OF BENEFITS

I hereby authorize and assign all payments and/or insurance benefits for medical services and/or surgical procedures rendered to patient, directly to **Maria Jauhar, MD.** I hereby authorize **Maria Jauhar, MD** to release medical information necessary to obtain payment. I understand that I am financially responsible for all charges not covered by my insurance plan.

CANCEL POLICY

We request that you please give our office 24 hour notice in the event that you need to reschedule your appointment with the provider and same day cancellation will be considered as a no show and will be charged $45.00 no show fee. This allows other patients to be scheduled into that appointment. **A fee of $45.00** will be charged to you for a missed appointment. This fee will not be billed to your insurance carrier. If you are more than 15 minutes late to a scheduled appointment, the appointment will be cancelled unless we have been notified by phone, and the schedule allows for you to be seen. If you accumulate 3 missed appointments, you may not be rescheduled for future appointments and will be asked to leave the practice.

Thank you, for understanding our Financial Policy. We reserve the right to change this notice and make the new notice apply to Health Information we already have as well as any information we receive in the future. We will post a copy of our current notice at our office. Please let us know if you have any questions or concerns.
